Two-Line Speakerphone with LCD Display

Features	Benefits
Two-Line Convenience with Distinctive Ring and Line-in-Use Indicators for Each Line	Meets demands of increasingly popular two-line home or small office. Provides a 2nd line for the kids, for the computer, or whatever.
Full Performance Speakerphone with Hands-Free Dialing	Dial out of memory or keypad without picking up the handset.
Large, Easy-To-Read LCD Display	Clearly displays clock time and day, number dialed, memory verification, call timer, memo.
Auto Busy Redial and One-Touch Redial	Automatically redials busy numbers every 30 seconds up to ten times. One-Touch Redial quickly redials the last number dialed.
16-Number Instant-Access Memory and Convenient Memory Index	Speeds dialing of frequently used numbers. Memory index is a paper template for keeping track of numbers stored in memory.
Data Port for Fax, Modem or Answerer with Line Selection	Adds versatility. Auxilliary jack for fax, modem or answerer can be connected to Line 1 or Line 2, or set in the "Off" position.
Adjustable Electronic Volume Control for Speaker, Handset and Ringers	Adjust volume to desired level.
